

Principal's Post

FUN FACTS

We can think of ten body parts that are three letters long. The *eye* is one of them. How many others can you name? (*hip, arm, leg, ear, toe, jaw, rib, lip, and gum*)

Try this: Try to fold any piece of paper in half more than 7 times. We bet you can't do it!

Assistant Principal Corner

The week of Nov. 6-10 we are hosting our annual Food Drive benefitting the Parker County Center of Hope, as well as the Aledo UMC Manna Room. Donations can be dropped off at any Aledo ISD campus or the Aledo ISD Admin Building. Please help fill the hearts of our students as we feed the families in our community!

****Reminder****

If you are in the parent pick up line at dismissal, please stay in the same lane after the teachers send you through so we can keep our lists accurate and expedite the process. Thank you.

Heather Street
Assistant Principal

Vanda Notes

Dear Parents,

Getting your child to school on-time, every day, unless they are sick, is something that you can do to ensure your child has a chance to succeed in school. While others can help, you are the bottom line. You can promote good attendance when you:

Establish and stick to the basic routines (going to bed early, waking up on time, etc.) that will help your child develop the habit of on-time attendance.

Talk to your child about why going to school every day is critical and important unless they are sick. If your child seems reluctant to go to school, find out why and work with the teacher, administrator or afterschool provider to get them excited about going to school.

Come up with back up plans for who to turn to (another family member, a neighbor or fellow parents) to help you get your child to school if something comes up (e.g. another child gets sick, your car breaks down, etc.).

Reach out for help if you are experiencing tough times (e.g. transportation, unstable housing, loss of a job, health problems) that make it difficult to get your child to school. Other parents, your child's teacher, principal, social worker, school nurse, afterschool providers or community agencies can help you problem solve or connect you to a needed resource.
